

PRACTICAL NO : 04

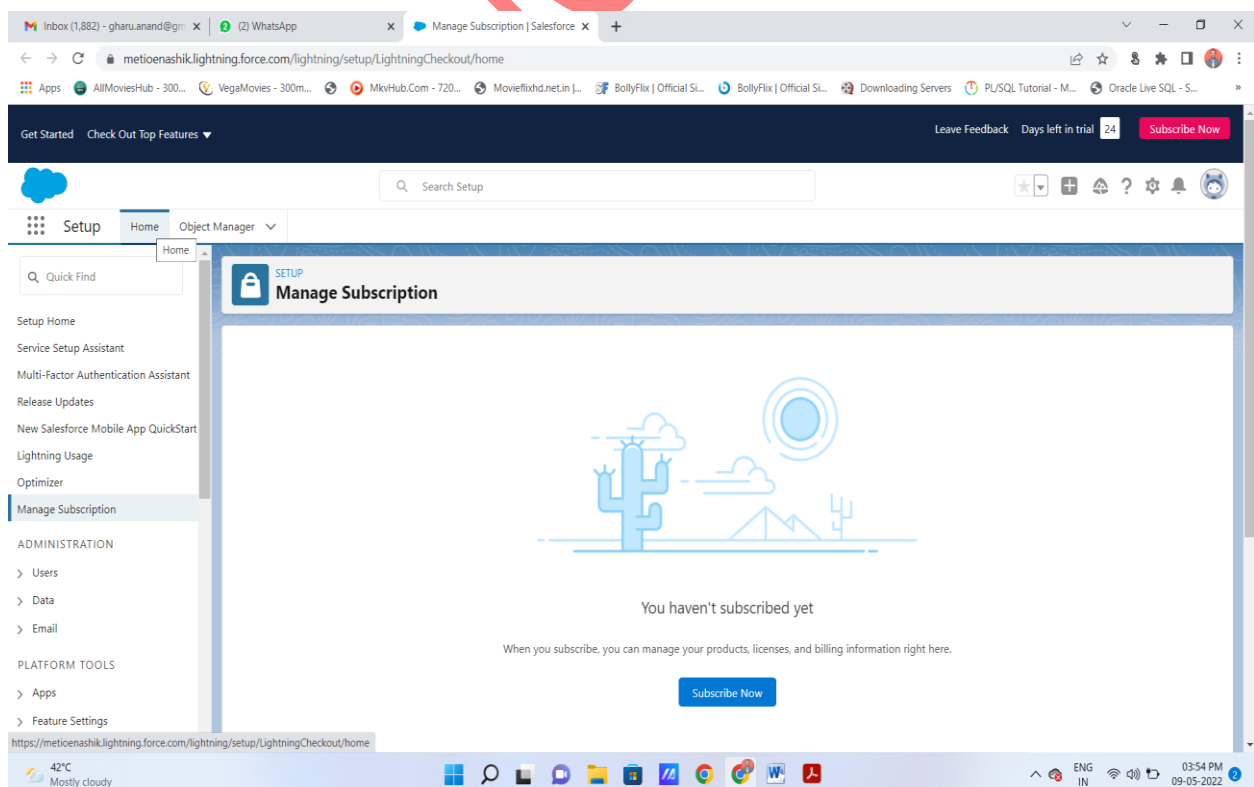

Title : Design and develop custom Application (Mini Project) using Salesforce Cloud.

STEPS TO CREATE AN APPLICATION(mini project) :

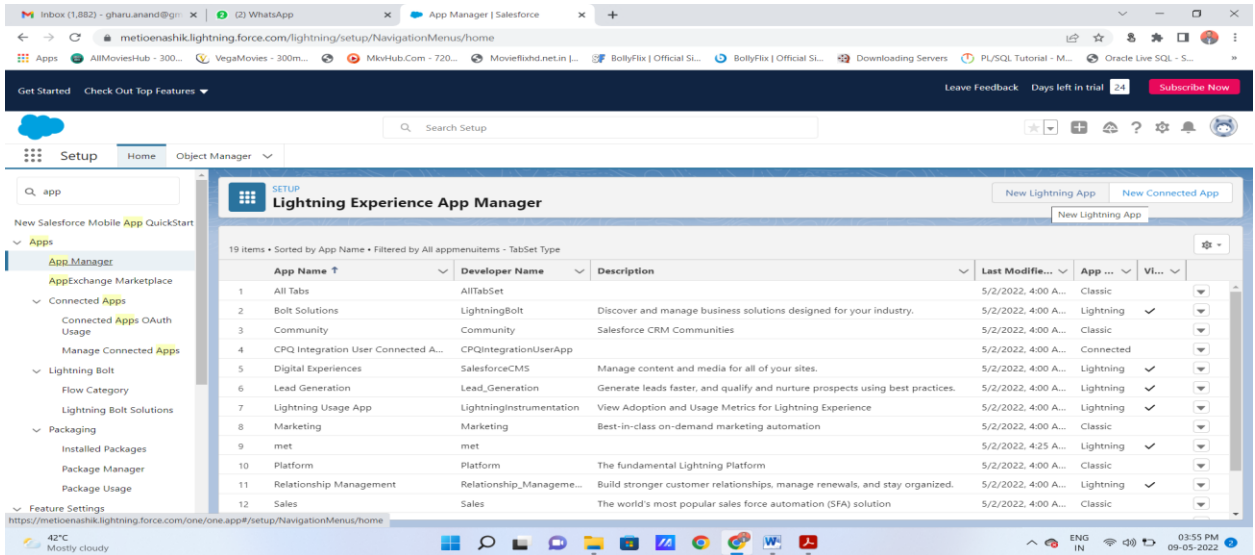

1. Open salesforce in Lightning Experience
2. Open App Launcher → View all → Quick Search → App Manager → Click on New Lightning App → fill the mention information → Next → App option(optional) → Next → Add Utility (optoinal) → Next → Navigation Item(you can add item) → Next → User Profile(use the user profile that can access this app) → Save and Finish.

You will get Lightning Experience App Manager Window → Search Your App by its name in App Launcher → just by entering some character, you can see app name with its logo → Click on App → you can see your application appearance in window → Output

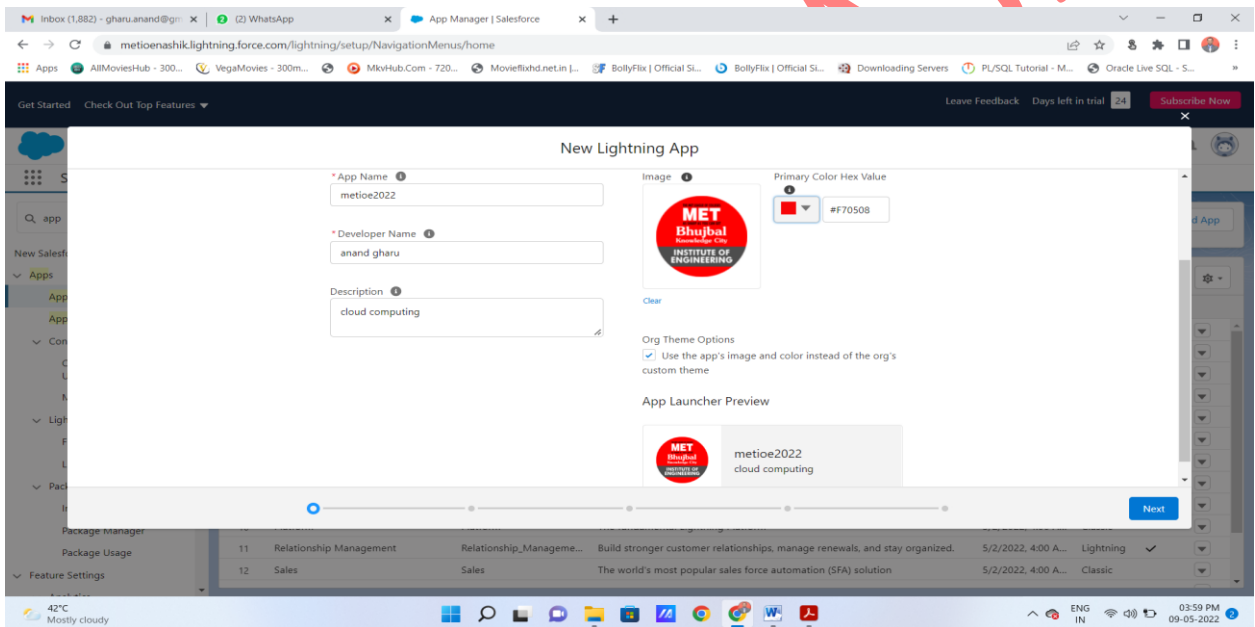

Note : steps images are provided here.....

1. . Open salesforce in Lightning Experience

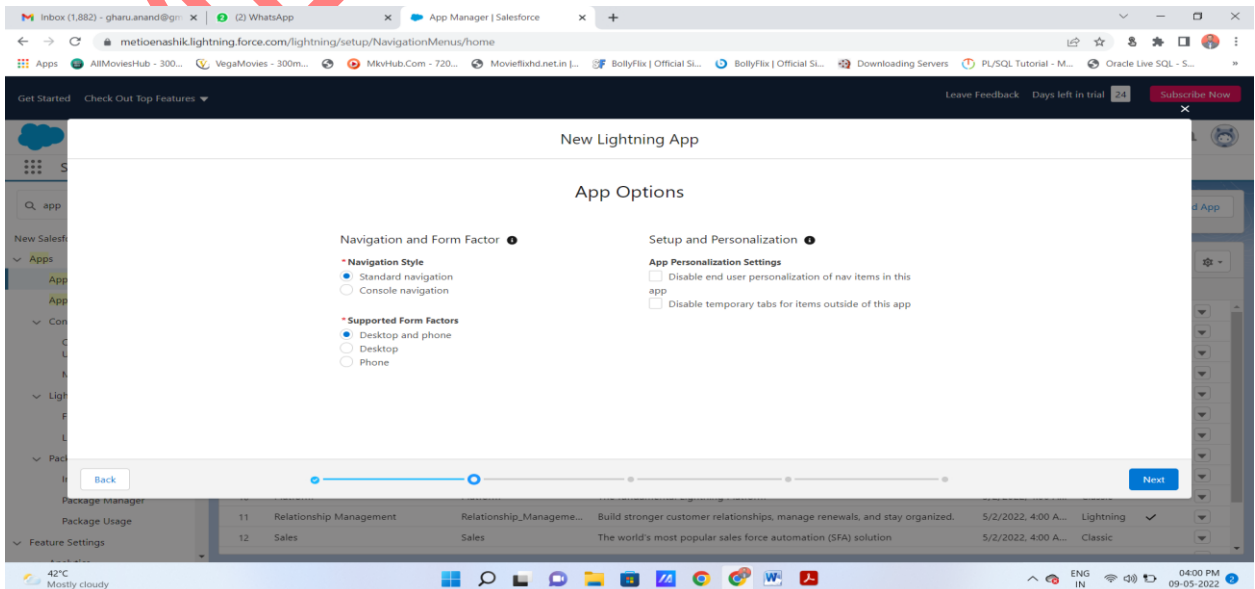

2. Open App Launcher → View all →(Quick Search → App Manager) → Click on New Lightning App

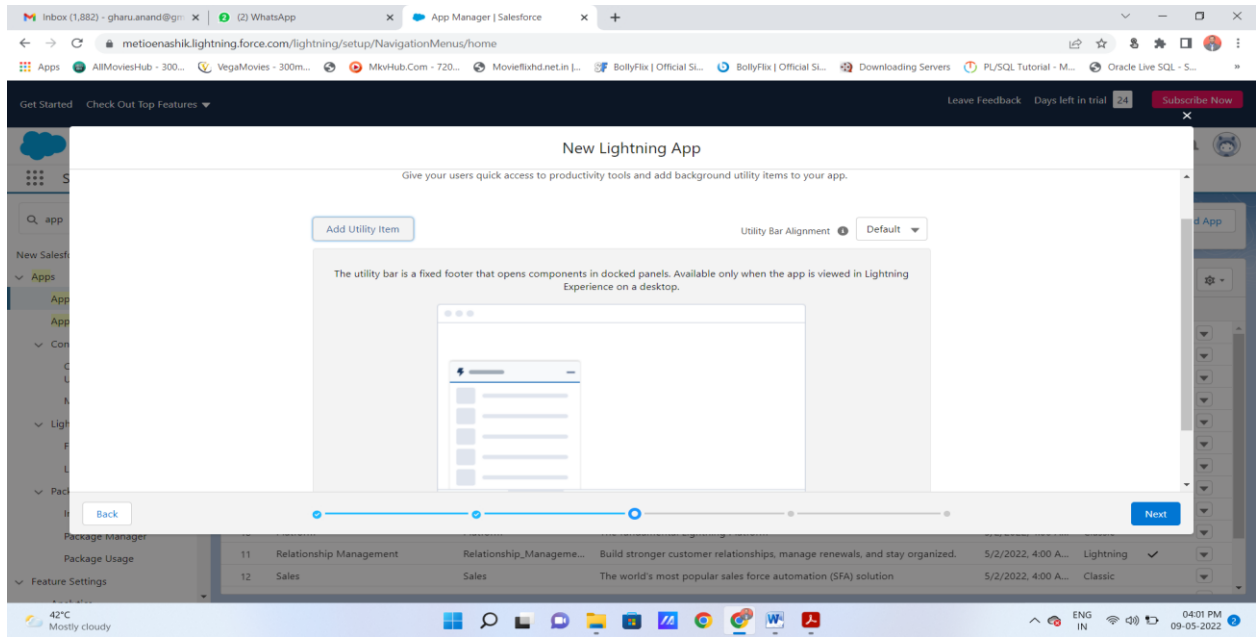

3. fill the mention information in new lightning app : then next

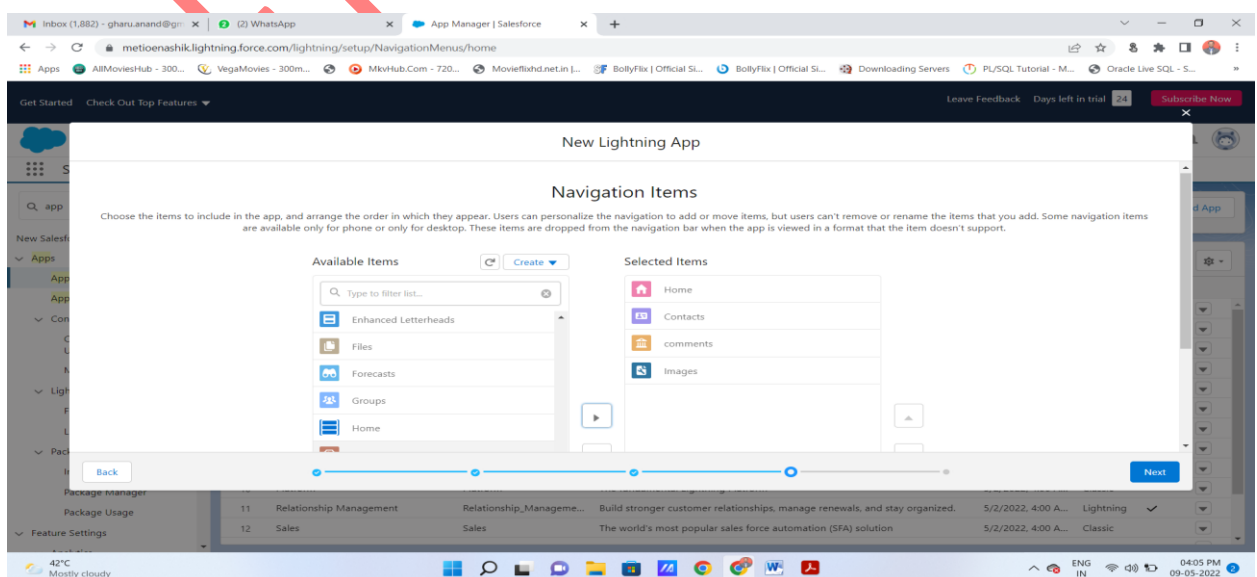

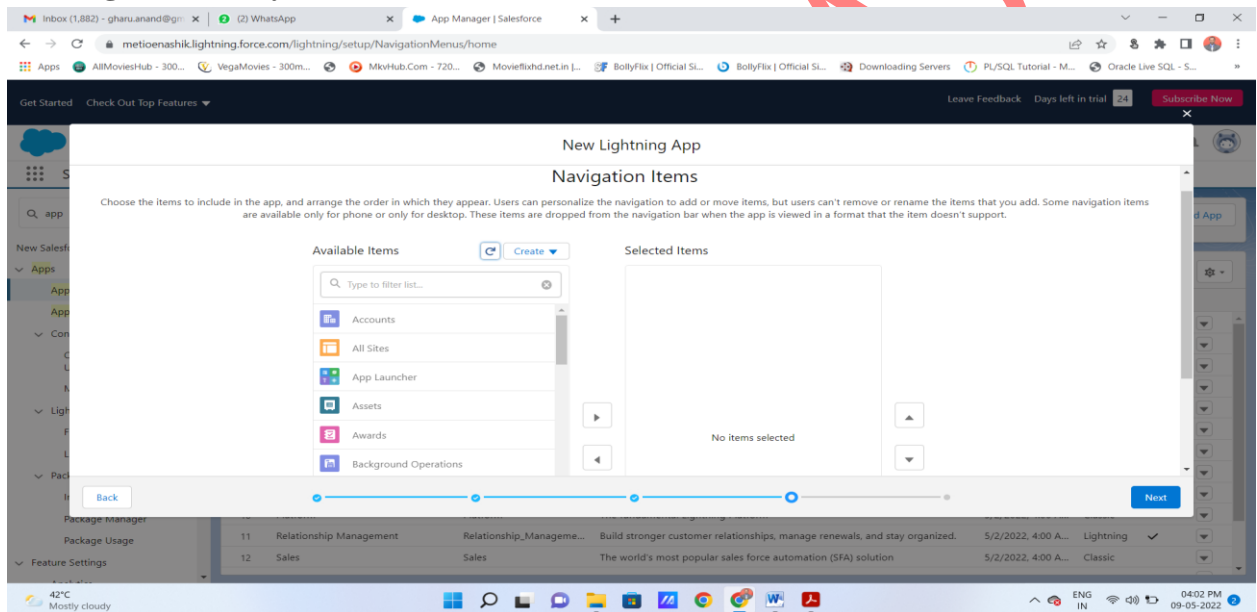

4. App option(optional) → Next →

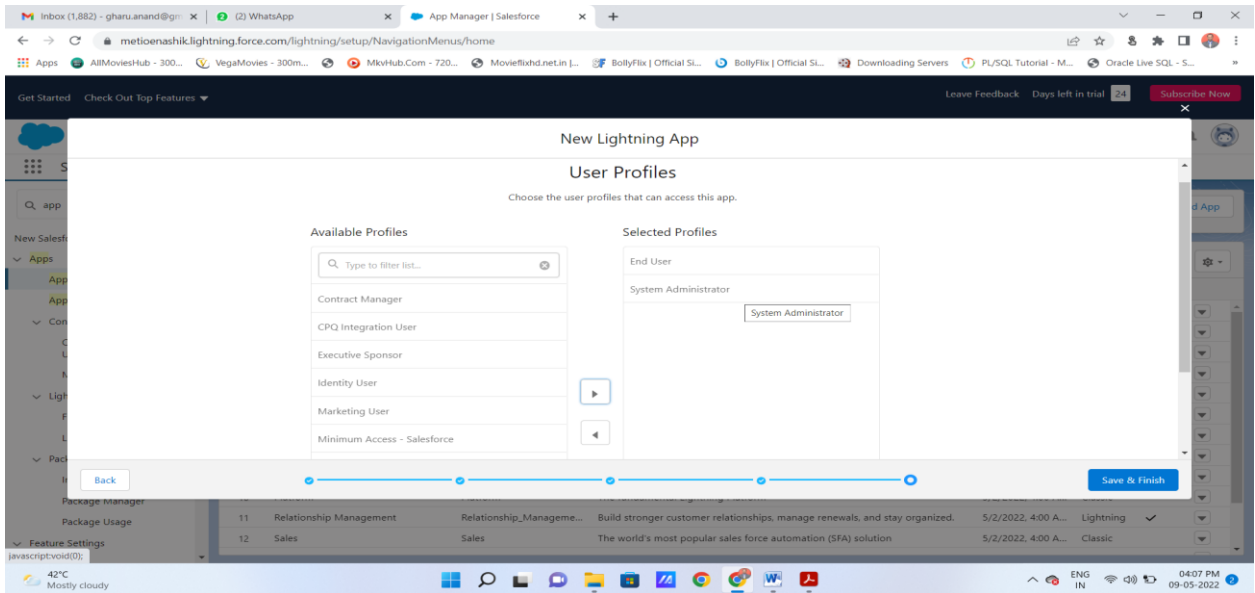

5. Add Utility (optoinal) → Next →.

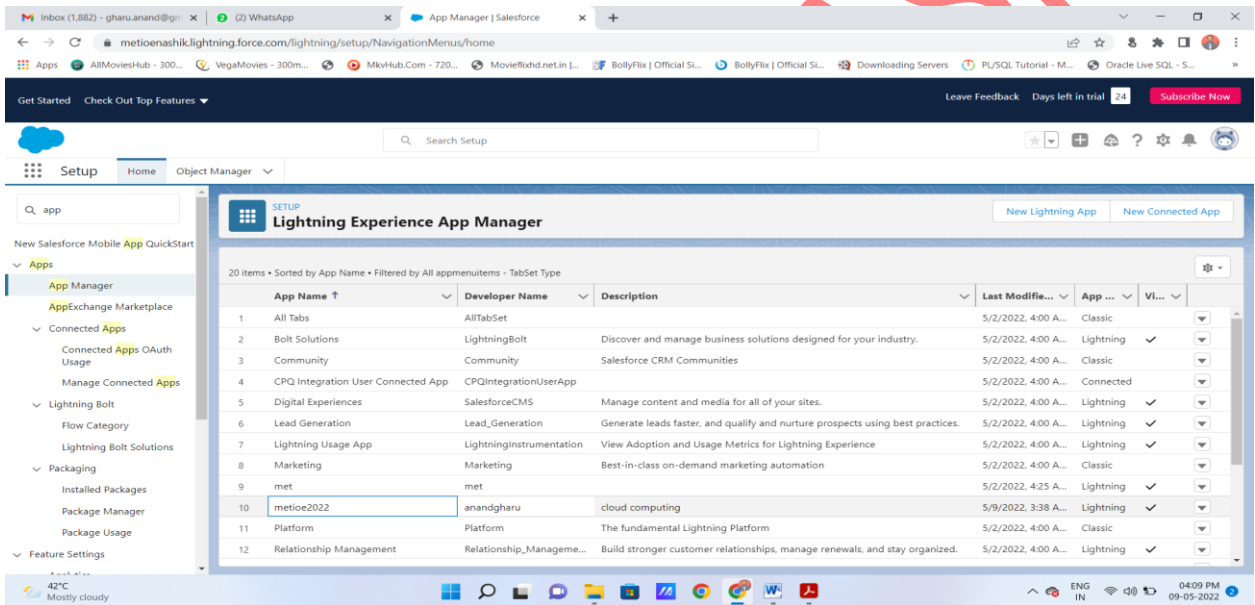

6. Navigation Item(you can add item) → Next →

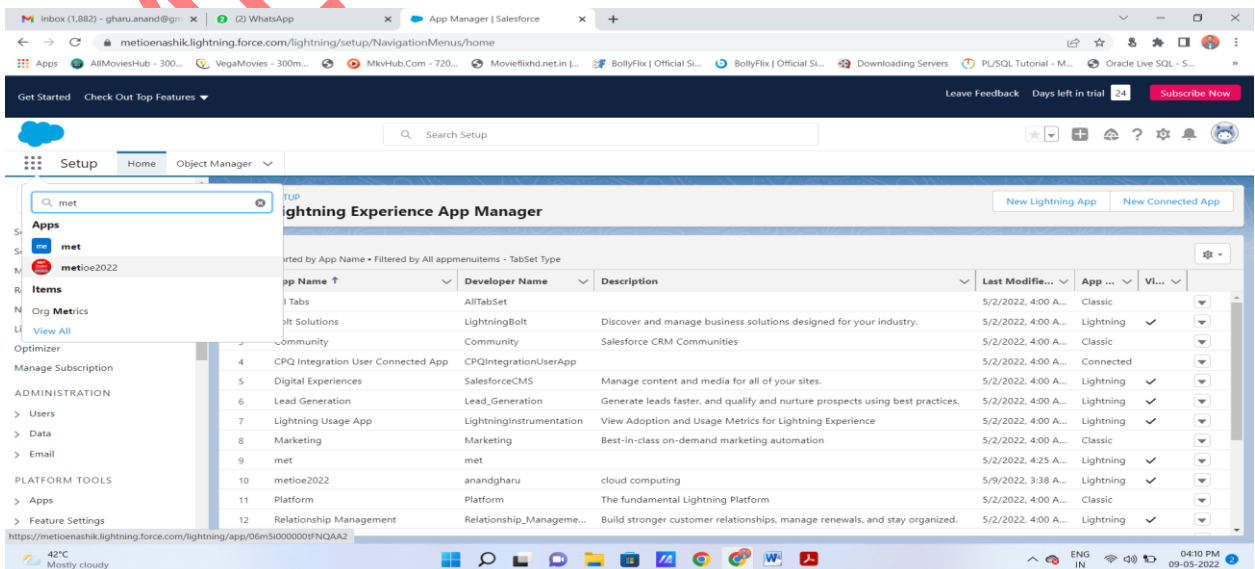

7. User Profile(use the user profile that can access this app) → Save and Finish

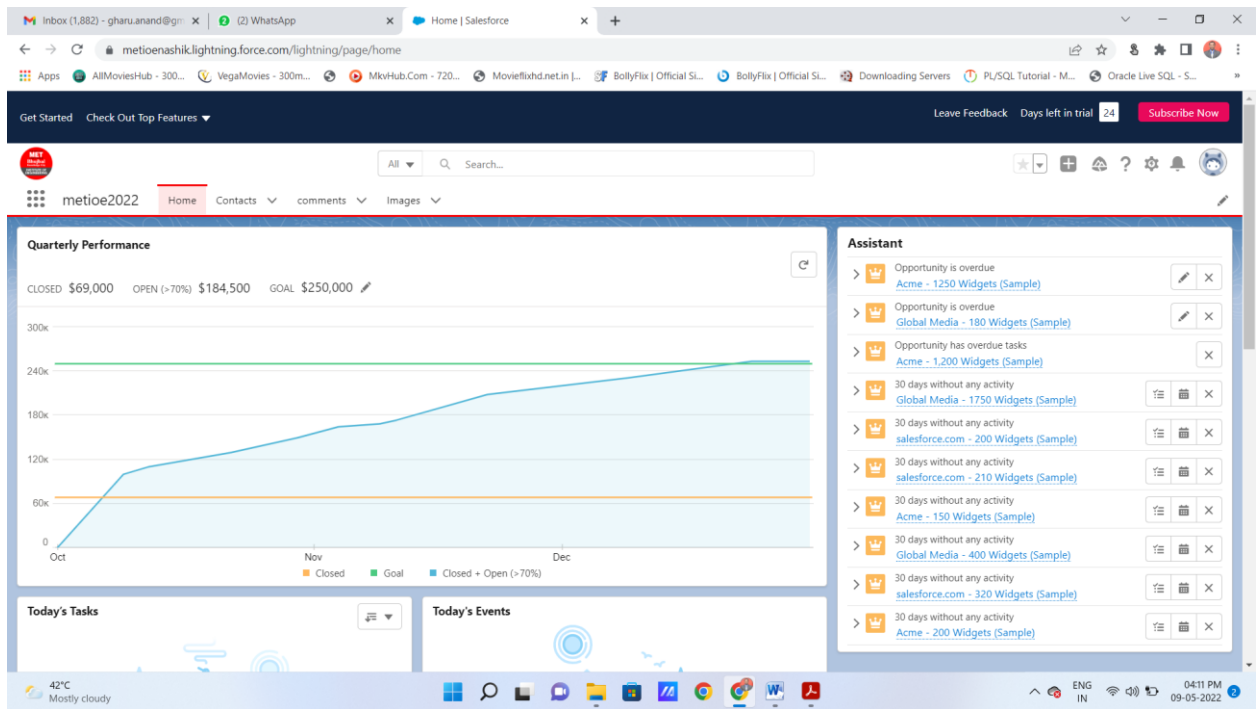

8. You will get Lightning Experience App Manager Window(here, you can see your application)

9. Search Your App by its name in App Launcher → just by entering some character, you can see app name with its logo → Click on App → you can see your application appearance in window → Output.

Output : You can see your application here....

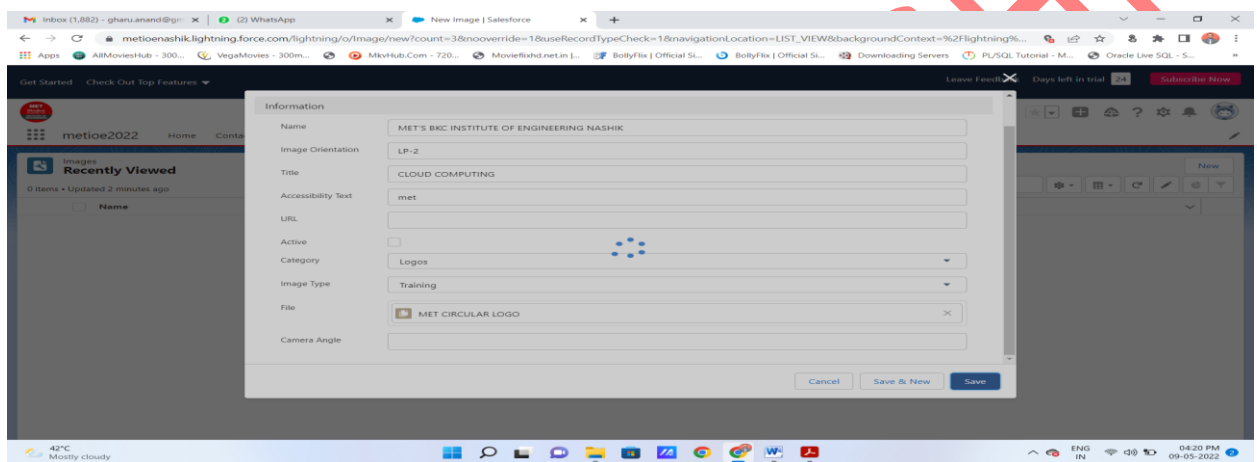

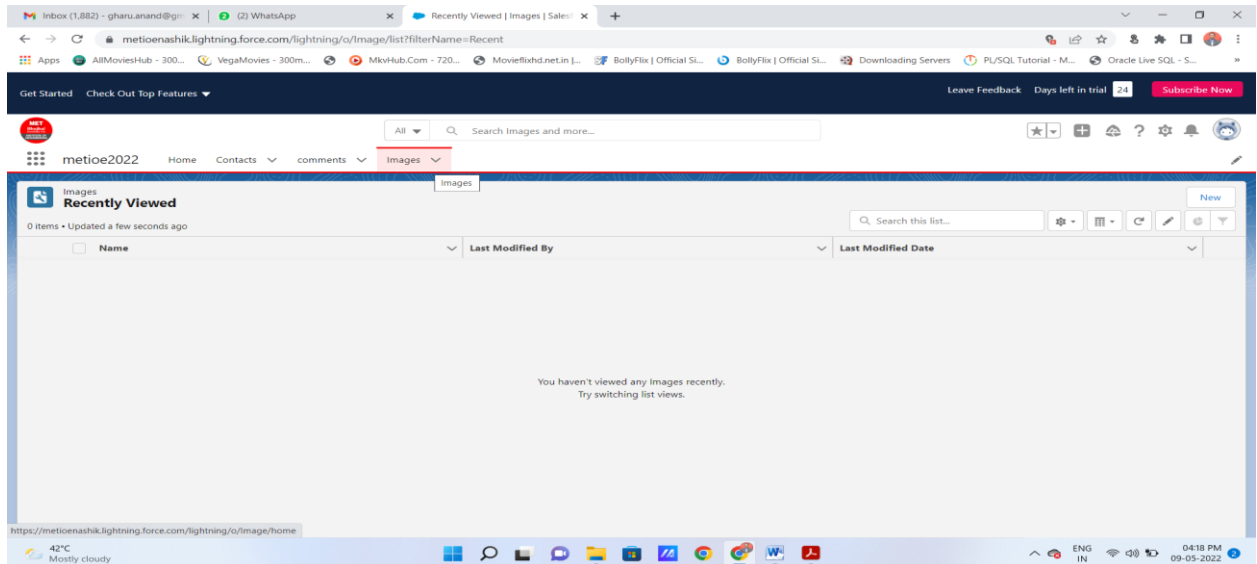

10. You can add new contact in your application :

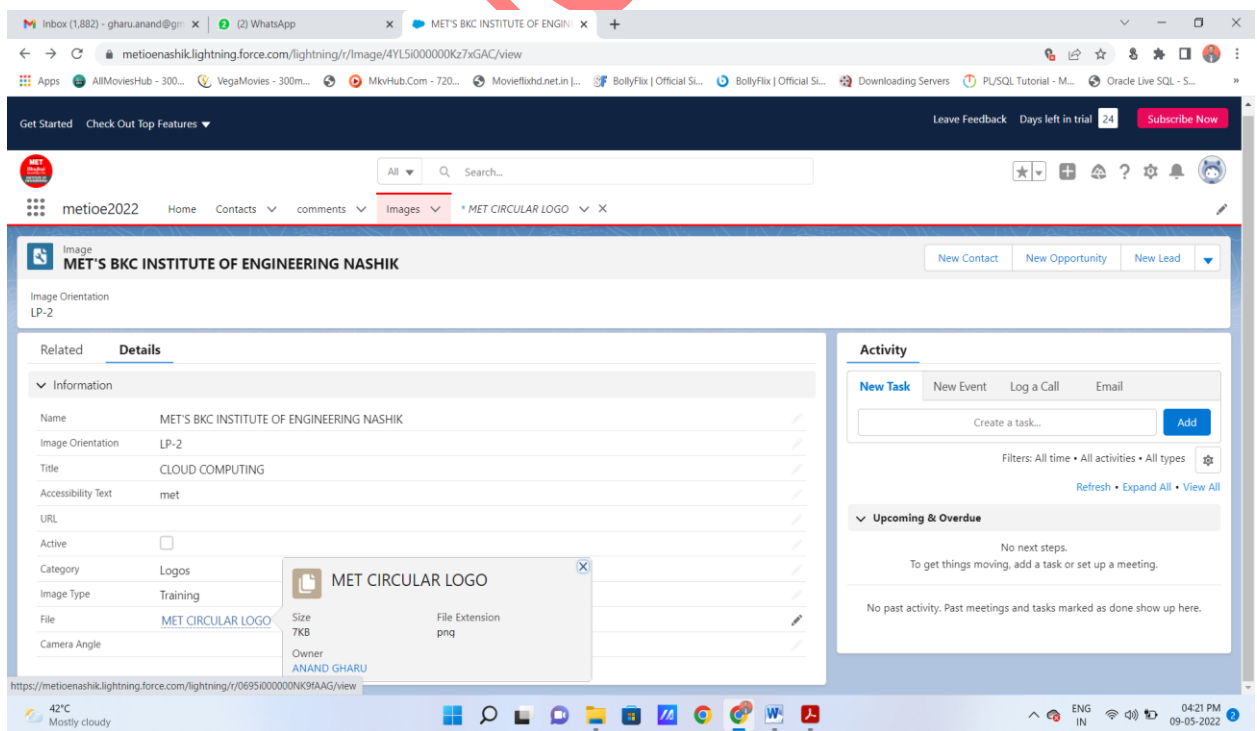

This screenshot shows the 'New Contact' form in Salesforce. The form is titled 'New Contact' and is used to create a new contact record. It includes fields for 'Name' (with sub-fields for Salutation, First Name, Middle Name, Last Name, and Suffix), 'Account Name', and 'Title'. The 'Contact Owner' is set to 'ANAND GHARU'. There are also fields for 'Reports To' and 'Department'. The form has 'Cancel', 'Save & New', and 'Save' buttons at the bottom.

This screenshot shows the detail page for a contact named 'Mr. ANAND NANDLAL GHARU ANG'. The page displays the contact's information, including their title 'Cloud Computing', account name 'metioe', phone number, and email address 'gharu.anand@gmail.com'. The contact owner is listed as 'ANAND GHARU'. The page also shows related information such as 'Related Accounts (1)', 'Opportunities (0)', and 'Related Accounts (1)'. There is a 'Follow' button and a 'Chatter' activity feed on the right side of the page.

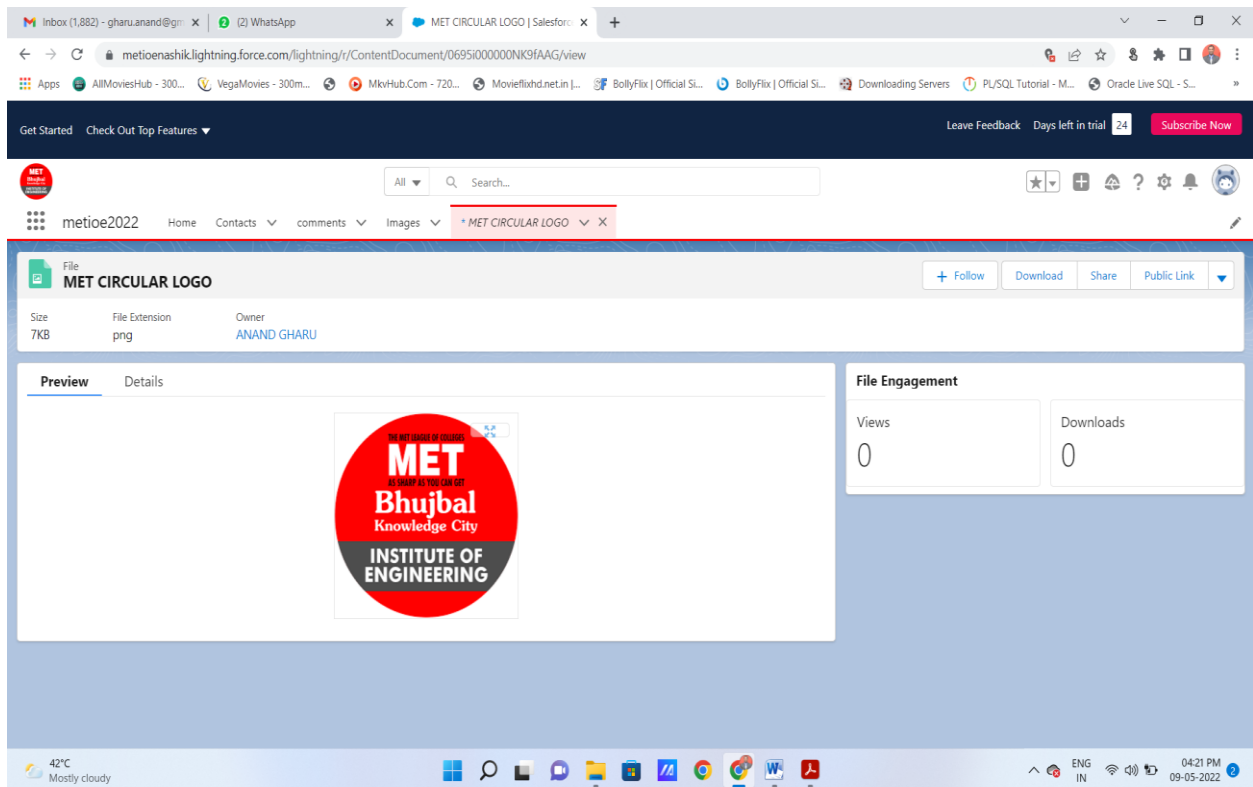

11. You can add images also :

You can see here that image is added as MET Circular logo(its image file name) :

You can see actual image by clicking on link :

You mini project application get created

Note : you can add navigations, utilities , profiles as per your requirements for your mini project application.
